

FREE FAMILY PORTRAITS THIS HALLOWEEN!

SATURDAY, OCTOBER 31, 2009

THE GREAT HALL

11:00 am - 3:00 pm

Dear FIT Community:

In preparation for the Beyond Black History exhibition scheduled for the "D" Lobby in February 2010, The School of Art & Design, the Office of Educational Opportunity Programs, and The Photo Club invite you and your families to come and participate in a free portrait session this Halloween.

In addition to celebrating black culture during the month of February, we're organizing a project that celebrates the full diversity of the FIT community. On Saturday, October 31st, we'll offer a unique opportunity for faculty and staff to capture and preserve priceless memories in family portraits that you will cherish for years.

Faculty and staff will receive one print and one DVD containing all images from their portrait session. And, to celebrate the holiday, a special Halloween set will also be available for an alternative fun photo opportunity.

We strongly encourage you and your families to attend!

For more information, contact the Office of the School of Art & Design (Ext. 7650) or the Office of Educational Opportunity Programs (Ext. 4170).

**Many thanks to: FIT Photo Club, Fujifilm USA,
Broncolor, Calumet Photographics**

This project is sponsored in part by the FIT Student - Faculty Corporation.
