**IMPORTANT:** All One Year students must complete all requirements for the FMM One Year Curriculum as indicated above. This includes a minimum of Two Major Area Electives and One Related Area Elective. **An absolute minimum of 33.5-36.5 credits must be completed in residence at FIT.** A maximum of 15 credits may be taken as a non-matriculated student at FIT. Students who plan to apply to the FMM B.S. Degree Program are strongly urged to meet with an advisor to review the pre-requisite requirements during the first semester of the A.A.S. One Year Program.

**\*\*INTERNSHIP:** IC291/491 If you select an internship as your Related Area Elective, it is highly recommended to lighten your second semester credit load to 15.5 credits. Students should add a course to the first semester as necessary.

**\*Recommended if you will apply for BS at FIT**
